The Indian Science Congress Association, Bhopal Chapter
GOVT. MVM. BHOPAL

Dear Dr Sonakia Sir,
Unified Field Scientist
Bhopal

Received your mail and read the contents. This organization is associated with ISCA, Kolkata. The main objective of ISCA to create awareness amongst citizens, specially to school/college students.

The Indian Science Congress Association, Bhopal Chapter is functioning since 2003 in Bhopal and has organised several science based programmes at various school and college level.

You are a great scientist and done a wonderful job in history. I always respect you and your work . In this connection to create awareness amongst students, ISCA, Bhopal chapter in association with Geological Society, Govt.MVM, Bhopal wants to organize science based programme at our institution. I request you to deliver a lecture on "Recent role of Geological Sciences for Shaping the future of India" in our Institution on 7th October 2012 at 11 am. and share your views with the audience.

I hope, to create awareness of science amongst students, your support and motivation shall be highly appreciable. ISCA life members and science communicators also taking part in this programme.

Awaiting for your kind response.

With regards

Thanking You

Yours Sincerely

Dr.V.K.Parashar

Prof. & Head, Dept. of Geology, Govt. MVM, Bhopal

Convener, ISCA, Bhopal Chapter
